DEATH AND DYING  
WILL AFFECT US ALL  
AT SOME TIME

CARESEARCH®  
palliative care knowledge network

CareSearch is a website providing information on palliative care. When an illness can not be cured palliative care helps maintain the person's quality of life.

If you need palliative care information you can find it at [www.caresearch.com.au](http://www.caresearch.com.au)

Flinders  
UNIVERSITY

1. CareSearch is funded by the Australian Government Department of Health and Ageing as part of the National Palliative Care Program.
2. CareSearch is managed by Palliative and Supportive Services, Flinders University.
