Disclaimer

This ACP Train-the-Trainer Guide is intended to assist clinicians to undertake their role within the residential aged care facility in which they work. This ACP Train-the-Trainer Guide should not be relied upon as advice about discussions with individual residents in an RACF, their families and/or substitute decision maker(s). Users of this ACP Train-the-Trainer Guide must exercise their own professional judgement and/or obtain the advice of a suitably qualified medical professional when considering the specific needs of a resident in the area of advance care planning.

The Statewide Office of Advance Care Planning (OACP), hosted by Metro South Health and operating through Brisbane South Palliative Care Collaborative, or any person associated with the preparation of this ACP Train-the-Trainer Guide, do not accept liability for any injury, loss or damage incurred as a result of anyone using or relying upon it.
