

Next steps for nurses

What can I do next as:

A beginner

- Start a personal learning folder.
- Complete the palliAGED Introduction Modules and add the completion certificates to my learning folder.

An intermediate learner

- Access the palliAGED Improving Care pages for more tips and discuss these with my supervisor.
- Complete the ELDAC personal learning assessment.
- Do some online training e.g., PalliBytes, Equip Aged Care Learning and The Advance Project (Dementia) for nurses.
- Use the palliAGEDnurse App.

An advanced learner

- Explore the palliAGED Evidence and Improving Care pages online.
- Read CareSearch Clinical Evidence summaries on symptom management.
- Make use of the ELDAC toolkits.
- Sign up for online training such as:
 - Advance Project (Dementia)
 - caring@home
 - End-of-Life Essentials.

What can my organisation do for:

Beginners

- Order palliAGED Practice Tip Sheet booklets for all staff members as part of induction.
- Ask to install palliAGED Introduction Modules onto the local LMS.
- Print out palliAGED Tip Sheets for the staff room.
- Discuss how the palliAGED Practice Tip Sheet topics overlap with the Aged Care Quality Standards.

Intermediate learners

- Promote online education including the National Palliative Care Program courses listed on the palliAGED website.
- Use selected palliAGED Tip Sheets and Introduction Modules to start discussions about local care issues.
- Arrange for an onsite PEPA workshop.

Advanced learners

- Promote the palliAGED evidence summaries and invite staff to contribute to policy development.
- Promote the ELDAC toolkits.
- Use the CareSearch guide to establish a journal club to build knowledge.
- Discuss options for further education with staff.
- Arrange for Reverse PEPA placements.
