

# Dying2Learn 2017

1,941 people  
joined a conversation  
about death & dying  
from 39 countries

They were busy!  
5 modules,  
26 activities, 22 groups,  
12,042 comments  
and 96.4% would  
recommend it to others.

Despite huge advances  
in modern medicine, the  
mortality rate continues  
to be

**100%**

"Could this be  
incorporated into  
the training  
of health care  
professionals  
like doctors?"

"The course gave  
me exactly what I  
needed - a greater  
inner awareness and  
increased confidence  
to talk more openly  
about death  
and dying."
